

2022 Korea SHE Foundation Global Seed Grant Request for Proposal

2022 Global Seed Grant

Korea Safety Health Environment (SHE) Foundation is looking for teams to participate in its 2022 Global Seed Grant. Korea SHE Foundation is a non-profit foundation established to promote and create safe and sustainable households, workplaces and local communities. 2022 Global Seed Grant supports projects by grassroots NGOs and local groups that are engaged in community activism to tackle issues related to Safety, Health and the Environment. As small seeds enter the soil and blossom into life, Global Seed Grant is seeking for innovative ideas and projects that will blossom into action that will make an impact in our society. Let us help grow your seed of idea into a forest of action.
