5. Please Note:

○ **Obligations of Recipients**

A. Recipients must attend follow-up talent development programs (camps, workshops, etc.).

B. Recipients must submit a study activity report each semester and the outcomes of their study when graduating from their programs.

C. Recipients will go through interim evaluations(academic attitude, achievements, record etc.), which will determine whether support will be continued.

○ **Other Issues**

A. Whether to support duplicate

_Receipt of loans for registration fees, scholarships from other foundations or the accepting school, or benefit from the BK21 program, etc. will negate receipt of the Scholarship program.

_Working scholarships, project participation, and laboratory assignments, etc. are possible.

B. Suspension of support

_Recipients will be disqualified should they quit in the middle of the program for

personal reasons.

_Recipients will be disqualified if they are deemed to have produced poor study outcomes or are insincere about the program during semester and annual evaluations.

C. Reasons for Suspension and/or Return of Support

_If the recipient is found to have received redundant benefits or submitted false documents.

_If the recipient withdraws from the academic program.

_If the recipient damages the good reputation of the Foundation through criminal activity, an accident or violation of school regulations, etc.

_If any of the above occur, the recipient must repay the Foundation an amount equal to the entire support received.

D. Respite & Leaves of Absence

_A leave of absence is permitted for a maximum of 2 semesters (1 year) for unavoidable circumstances (sickness, family affairs, etc.). Documented evidence must be provided.

_A period of respite may be granted after completion of the academic program until graduation (3 years for the masters' program and 5 years for the doctorate program).

E. Payment Method

_The Foundation will pay the school directly for the registration fee.

_Living expenses will be paid monthly into a bank account on the date designated in the pledge.

F. Other

_Recipients must receive an Alien Registration Card after entering Korea.

_If no qualified applicants are identified, then there will be no recipients.

G. Follow-up Programs

_Recipient workshop: Scholarship Certificate Presentation Ceremony and Orientation (to take place in Feb. 2023).

_Camp: group activities, festival, etc. (to take place between Jun~Aug 2023).

_Academic seminar: Safety, health and environment-related seminar (to take place in November 2023).
